Getting Started – 2017 Annual Report

This document is provided to assist you in completing the ACCJC 2017 Annual Report, which will be submitted electronically. You will be using data from Fall 2016 and the two previous fall semesters to complete this report except where specified otherwise. Attached are the report questions you may use to prepare before completing the report online.

1. The Chief Executive Officer (CEO) and the Accreditation Liaison Officer (ALO) will each receive e-mail instructions with an individually assigned username and password. The Commission requires the CEO to certify that the information provided in the form is accurate and then to submit the form.

2. If necessary at the institution, the password may be changed using the “Update Profile” link once you have logged into the report. Please note that the ACCJC staff are not able to retrieve lost passwords if they have been changed.

3. Please do not share your login information. Instead, you may create two additional accounts in the “Update Profile” for designated others to assist in completing the Annual Report.

4. Only the CEO can submit the final version of the Annual Report. The CEO will use the separate username and password sent by e-mail to the CEO, for submitting the report.

5. You may download copies of this document from the Annual Report login screen by clicking the “Getting Started” link near the bottom of the login screen.

6. Some questions have “[Read Additional Instructions]” pop-up windows that contain important details to assist in accurately providing the requested information.

7. If you need to skip a question because you do not have all the information or need to validate data, a “skip” button is provided. The report form will retain any information that is entered and mark the question as “skipped” so that you will be able to more easily find it at a later time to complete and “Submit” the answer. If you need to go back to a previous question, use the “Review Prior Question” button.

8. If a question is not applicable, please enter n/a in that box.

9. You may edit your answers as many times as you wish until the CEO performs the “Final Submission” of the Annual Report. Upon the final submission, e-mail notifications will be sent to the ALO and the institution’s CEO with a copy of the final report. Please be sure to retain a copy of the final report for your college files.

10. The report must be submitted by March 31, 2017; however, if additional time is required to obtain specific data, please e-mail the ACCJC at accjc@accjc.org. If any changes are required after you have submitted the report, please call the Commission office at 415-506-0234.

11. If you have any questions about the form, please call or e-mail the ACCJC.

6. Total unduplicated headcount enrollment in degree applicable credit courses:
   Fall 2016: 
   Fall 2015: 
   Fall 2014:

   Fall 2015: 
   Fall 2014: 

8. Number of programs which may be fully completed via distance education:

   Fall 2016: 
   Fall 2015: 
   Fall 2014: 

[Additional Instructions: Provide unduplicated enrollment numbers in distance education courses. Distance Education is defined as education that uses technology to deliver instruction to students who are separated from the instructor and to support regular and substantive interaction between the students and the instructor, either synchronously or asynchronously. Courses in which all the class hours are face to face, but some material is posted online, are NOT DE courses.]

10. Do you offer Correspondence Education?  Yes / No
    [If no, move to item #12]

11. Total unduplicated headcount enrollment in all types of Correspondence Education:
    Fall 2016: 
    Fall 2015: 
    Fall 2014: 

[Additional Instructions: Provide unduplicated enrollment numbers in correspondence education courses. Correspondence education means education provided through one or more courses under which the institution provides instructional materials (print or other media), by mail or electronic transmission (including transmission via learning management system), including examinations on the materials, to students who are separated from the instructor. Interaction between the instructor and the student is limited, is not regular and substantive, and is primarily initiated by the student. Correspondence courses are typically self-paced within a set period of time. Online courses or online portions of courses which primarily involve "paperwork" — such as reading textbook and other materials posted by the instructor, taking examinations, and submitting assignments— will fall within the definition of correspondence education rather than distance education. If the online portion of a class meets the definition of correspondence education, then even if the class also meets on site, it will be considered a correspondence education course for Title IV qualification purposes. Correspondence education is not considered distance education within the USDE definition. See definition of distance education in question 11 above.]
