Executive Summary – November 2021 Strategic Plan for Open Educational Resources at Taft College

Recommendation to create an on-going OER work group through the Taft College Academic Senate.

OER can be one facet of an equitable learning environment by assuring that all students have access to the textbook by the first day of class.

Develop the infrastructure and culture to sustain OER efforts on campus to:

1. Support faculty in finding or developing quality OER.
2. Support ease of use of OER by students.
3. Support the evaluation of current OER and usage.
4. Publicize OER at Taft College.
