Memorandum of Understanding (MOU) Between West Kern Community College District (WKCCD) and Taft Union High School District (TUHSD) Dual Enrollment Program and Concurrent Enrollment Program

Purpose
The purpose of the dual enrollment program is to afford current high school students the opportunity to enroll in dual-credit courses to expand student access to affordable higher education, provide challenging academic experiences to qualified high school students and reduce the costs of a college education for students and their families. Successful completion of transfer courses will enable students to simultaneously earn college credit transferable to two-and-four-year colleges and universities and satisfy high school graduation requirements. Dual enrollment course offerings are meant to enrich the TUHSD high school curriculum program and not supplant the high school curriculum program.

The purpose of the concurrent enrollment program is to afford current high school students the opportunity to enroll in college courses in order to give them higher education experiences while still in high school. Successful completion of college courses will enable students to earn WKCCD college credit. TUHSD will determine when dual-credit is awarded for concurrent enrollment courses.

Program Management
The WKCCD Dual Enrollment Committee will manage the dual enrollment and concurrent enrollment programs as delineated in this document. The WKCCD Dual Enrollment Committee will evaluate any grant funding opportunities sought by the WKCCD or TUHSD for dual enrollment or concurrent enrollment, prior to the start of the grant application process. The committee consists of administrators and faculty members from both WKCCD and TUHSD (see charter).
