AGENDA
Student Success Committee Meeting
Thursday, January 14, 2021
10:10 am to 11:00 am
Zoom Meeting: https://cccconfer.zoom.us/j/98088197641

MISSION:
Promote a campus-wide culture that fosters and supports student learning, success, and goal completion.

SPECIFIC RESPONSIBILITIES:

1. Review and analyze college data to identify student success and gaps.
2. Recommend based on enrollment data and trends.
3. Develop broad, comprehensive, inclusive, and equitable strategies for improving student success.
4. Analyze and understand the common barriers among disproportionately impacted populations in achieving momentum points.
5. Use data to identify patterns of enrollment to inform schedule building to support student goal completion.
6. In conjunction with the Access Committee, use data to identify patterns of demand to inform strategic enrollment management to support student goal completion.
7. In conjunction with the Access Committee, review methods to improve the integration and alignment of student success efforts across the various plans, including the Strategic Action Plan.
8. Report and make recommendations to the Governance Council and other college committees regarding issues relating to student success.

GOALS:

Key performance indicators:
1) Success rates in Transfer level English during 1st year
2) Success rates in Transfer level Math during 1st year
